Re: Alberta Education - Annual Accountability Pillar Surveys

Dear Parents/Guardians of Students in Grades 4, 7 & 10:

Each year the Ministry of Education surveys Alberta's parents/guardians of students in grades 4, 7 and 10. The purpose of this standardized survey is to gather information on the quality of education provided in the province's school districts and individual schools. While the survey is voluntary, you are strongly encouraged to complete and submit it, so that your opinions can be made known. All responses remain anonymous, and data is only reported in aggregate form.

You may have already received the survey by mail, or will be receiving it shortly. Here at STAR Catholic we take these surveys seriously, using the results to help gauge our overall performance and to guide our continuous improvement efforts.

Thank you for your consideration in completing and submitting the survey!

Sincerely,

Charlie Bouchard
Superintendent
